

## CV Scientific Director

### PERSONAL INFORMATION

|                                |   |
|--------------------------------|---|
| <b>Name</b>                    | María Teresa Moreira Vilar                                      |
| <b>Date and place of birth</b> | 29/11/1969, Mugardos  |
| <b>Professional category</b>   | Full Professor of Chemical Engineering                          |
| <b>Current position</b>        | Scientific Director and Principal Investigator at CRETUS        |
| <b>Centre</b>                  | C.S de Investigación Interdisciplinar en Tecnoloxías Ambientais |

### PROFILE

|                         |  |
|-------------------------|--|
| <b>Academic degrees</b> | <ul style="list-style-type: none"> <li>· 1992 BSc in Chemistry. University of Santiago de Compostela</li> <li>· 1997 PhD in Chemical Engineering. University of Santiago de Compostela</li> </ul>  |
| <b>Carrer Path</b>      | <ul style="list-style-type: none"> <li>· Full Professor of Chemical Engineering</li> <li>· 1997 Postdoctoral Researcher. Wageningen Agricultural University (The Netherlands)</li> <li>· 1998 Assistant Professor in Chemical Engineering (USC)</li> <li>· 1998 Visiting Professor. Wageningen Agricultural University</li> <li>· 2006 Associate Professor in Chemical Engineering (USC)</li> <li>· 2012 Full Professor in Chemical Engineering</li> <li>· 2002 and 2014. Visiting Professor, University of Arizona (USA)</li> <li>· 2018 Associate Manager of the Environmental Science and Technology Programme. Spanish Research Agency</li> <li>· 2019 Executive Editor of Journal of Cleaner Production</li> <li>· 2020 Scientific Director. CRETUS</li> <li>· 2022 Editor-in-Chief of Cleaner Environmental Systems</li> </ul> |

### ADDITIONAL INFORMATION

|               |  |
|---------------|--|
| <b>Awards</b> | <ul style="list-style-type: none"> <li>· 2011 Martínez Moreno Prize awarded by the García Cabrerizo Foundation and the University of Seville</li> <li>· 2013. Award for the best "Design for Recycling" project. Generalitat de Catalunya</li> <li>· 2018 Special Mention to the Technology Transfer Award. Royal Galician Academy of Sciences</li> <li>· 2019 Isidro Parga Pondal Research Medal in the Technical Sciences Section. Royal Galician Academy of Sciences</li> </ul> |
| <b>Others</b> | <ul style="list-style-type: none"> <li>· 2020 A bibliometric study on LCA research for the period 1999-2018 published in the "Environmental Impact Assessment Review" ranks me TOP1 worldwide</li> <li>· 2021 Presence among the top 2% of the world's most cited and influential scientists according to the database compiled by John P. A. Ioannidis of Stanford University, together with Kevin W. Boyack of SciTech Strategies and Jeroen Baas of Elsevier</li> </ul>         |
